Liability Category: HL
Faculty: Engineering and Information Technology

Application Details

C09119 v1 Bachelor of Computing Science (Honours)

Course Withdrawal Details

Reason for withdrawing: Other Reasons

Reason:

transfer to a different uni (UNSW)

If your application for course withdrawal is being made after the census date of the session, academic penalty and financial liability will apply to all enrolled subjects for the session. If course withdrawal after census date is due to special circumstances such as illness or misadventure, please contact your Student Centre before lodging this notice. For remission of fees, see the fees website at: <http://www.sau.uts.edu.au/fees/refunds/index.html>

NOTE: before lodging this form please talk with an appropriate person about your intentions. Talking to someone will ensure that you have considered all of your options and enable you to make a decision which works for you, whilst keeping your options open to resume study here or elsewhere in the future.

Examples of appropriate people include your lecturer, your Academic Advisor, your Course Coordinator, your supervisor, or a Counsellor. If you are an inpUTS student or have a disability or special need you could talk with the Accessibility Service Officer or your Academic Liaison Officer.

Accessibility Service and Counselling appointments can be booked on 9514-1177.

☒ I hereby give notice of my complete withdrawal from the course in which I am currently enrolled.

☒ I have read the Essential Information on the [SAU website](#) and declare that the information provided by me is correct and complete.

Date: 09/04/2019
